Hi Joe,

I have a voice mail into Tom to try to explain what's going on. Too much detail to try to explain in an email.

Very busy around here,
Mike

Hi, Tom:

I haven't seen the letter to the Governor's office from Flathead County. The only AOCs I'm aware of are the Montana DEQ AOC and the US EPA AOC. Flathead County was not a signatory to the EPA AOC. I don't know about the DEQ AOC (RCRA AOC for removal of potliners), but I assume that Flathead County did not sign that one either.

Thanks,

Joe

Mike,

In a letter the Flathead county commissioners have sent to the Governor's office, they seem to indicate that Flathead County has signed an AOC with Glencore. Do know if this is the case? I'd like to have an answer for Jenny tomorrow. The balance of the letter is soliciting the Governor's office support for the "alternative" listing.

EPA and DEQ need to continue the discussion around that point.
